

## SENTRON circuit protection devices with measuring and communication function (WT-LVBCOM)

---

### Short Description

---

The WBT imparts deeper knowledge about SENTRON circuit protection devices with measuring and communication function and provides some general information.

### Objectives

---

The learned contents of this WBT serve as a basis for further WBTs and trainings.

### Target Group

---

- Sales employees
- Planners
- Commissioner

### Content

---

- Device overview (5SL6 COM miniature circuit breaker, 5SV6 COM AFDD/MCB, 5ST3 COM auxiliary switch and fault signal contact, 7KN Powercenter 1000 data transceiver)
- Functions & Highlights
- Topology
- Mounting
- Commissioning with SENTRON powerconfig mobile app
- Customer benefit

### Note

---

Please use Google Chrome for optimum usage.

### Type

---

E-Learning

### Duration

---

30 minutes

### Language
