Guide for booking a course

SITRAIN – Digital Industry Academy

This guide will help you to book a course on the SITRAIN Germany website.

www.siemens.de/sitrain-personal

The screenshot shows the Siemens website interface for SITRAIN personal in Germany. At the top left is the Siemens logo and tagline. The top right contains 'Contact' and 'Global | English' links. Below the logo is a navigation menu with 'Products & Services', 'Market-specific Solutions', and 'Company'. A search bar is located to the right of the menu. The breadcrumb trail reads: 'Products & Services > Services > Industry Services > SITRAIN - Digital Industry Academy > SITRAIN personal'. The main heading is 'SITRAIN personal – Germany'. Below this is a large image of people in a training session. To the right of the image is the text: 'Training courses taught by experienced, certified experts from Siemens'. Below this text is a paragraph: 'All of us want to learn from the best. And SITRAIN personal's training courses let you benefit from our well-practiced trainers' expert knowledge, along with direct access to our training equipment. That's the best way to convey knowledge – whether at your company or in our training classrooms.' Below the paragraph is a call-to-action button: 'SITRAIN course search and MyTraining'. Below the main content is a row of six course category cards: 'SIMATIC industrial automation systems', 'Drive technology', 'SINUMERIK CNC automation systems', 'SIMATIC PCS 7 process control system', 'Digital Enterprise', and 'Industrial communications'. Each card has a small upward arrow at the bottom.

Booking

On the detail page of a course you will find information about it, e.g. objectives or needed requirements.

SIMATIC programming 1 in the TIA Portal (TIA-PRO1)

Description Dates and Registration

Short Description

You can deepen your theoretical knowledge with numerous practical exercises on a TIA system model. This consists of a SIMATIC S7-1500 automation system, ET200SP distributed I/O, Touchpanel TP700, drive SINAMICS G120 and a belt model.

Objectives

The Totally Integrated Automation Portal (TIA Portal) forms the work environment for integrated engineering with SIMATIC STEP 7 and SIMATIC WinCC.

In this first part of the SIMATIC TIA Portal programming training, we teach you the handling of the TIA Portal, basic knowledge about the structure of the SIMATIC S7 automation system, configuration and parameterization of hardware, and the basics of standard PLC programming. You also receive an overview of HMI, PROFINET IO, and connecting drives.

After attending the course, you can do the following:

- Understand the fundamentals of interaction of the TIA components
- Solve simple programming tasks using elementary STEP 7 instructions
- Reliably operate the "TIA Portal" engineering platform
- Program simple plant functions with basic STEP 7 instructions in the ladder diagram (LAD) or function block diagram (FBD)
- Perform simple commissioning of TIA components

Target Group

Programmers
Commissioning engineers
Engineering personnel

On the detail page of a course you can switch between description and dates

On the date view you will find an overview of dates of the selected course.

Here you can see at which place and at what time a course occurs. By using the information icon you can see details of the course, e.g. the exact address.

SIEMENS

Ingenuity for life

In the first step of the 5-step booking process course details are displayed again.

The screenshot shows a web interface for booking training. At the top, there is a breadcrumb trail: Home > Training > Participant > Billing > Overview > Confirmation. The 'Confirmation' step is highlighted in white. Below this, the 'Selected Training' section displays the following details:

SIMATIC Programmieren 1 im TIA Portal (TIA-PRO1)	
Title:	SIMATIC Programmieren 1 im TIA Portal
Training ID:	TIA-PRO1
Training Type:	Face-to-face training
Place:	> Siemens AG
Duration:	5 days
Date:	Oct 09, 2017 - Oct 13, 2017
Language:	German
Total Price:	2,175 EUR

At the bottom of the details section, there are two buttons: 'Previous' on the left and 'Next' on the right. Three callout boxes provide additional information:

- The open booking steps are displayed in white
- In the middle the details of the selected course are shown
- With „Previous“ you can correct your already entered data. With „Next“ you'll go to the next booking step

With the "Previous" button you can go to the previous step, "Next" takes you to the next booking step.

SIEMENS

Previous Next

You can provide your billing data if known

If necessary you can change your booking and billing contact

Note:

Booking contact: Person used by SITRAIN to receive booking confirmation, course invitation and other contacts.

Billing contact: Person who should receive the bill of booked courses.

SIEMENS

Ingenuity for life

The step "overview" shows in summary all entered data and the chosen course in an overview. You can enter additional information which could be important for SITRAIN in the notes field.

The screenshot shows a web interface for booking a training course. At the top, there are navigation tabs: Training, Participant, Billing, Overview (selected), and Confirmation. The main content is divided into several sections:

- Participant:** Salutation: (blank), First name: Mia, Last Name: Mustermann, Department: (blank), Company: Muster-Firma1, Location: Musterstr. 32, 99099 Musterstadt, e-mail: q96@desare.de
- Billing Data:** Allocation Type: external
- Booking contact:** Salutation: (blank), First name: Mia, Last Name: Mustermann, Department: (blank), Company: Muster-Firma1, Location: Musterstr. 32, 99099 Musterstadt, e-mail: q96@desare.de
- Invoice contact:** Salutation: (blank), First name: Mia, Last Name: Mustermann, Department: (blank), Company: Muster-Firma1, Location: Musterstr. 32, 99099 Musterstadt, e-mail: q96@desare.de
- Training:** SIMATIC Programmieren 1 im TIA Portal, 2,175 EUR
- Notes:** A text area with the prompt "Please enter here additional notes regarding your order (if necessary):"
- Sum:** 2,175 EUR
- Agreements:** Two checkboxes: "I accept the General Terms and Conditions (GTC) > show General Terms and Conditions" and "I agree to the Privacy Policy > show Privacy Policy".
- Buttons:** "Previous" and "Register".

Three callout boxes provide additional information:

- One points to the Participant section: "Entered data are shown in summary in this overview".
- Another points to the Notes field: "If necessary you can add additional information by using the notes field".
- The third points to the agreement checkboxes: "Please accept the GTC and privacy policy before booking".

After accepting the GTCs and privacy policy you can complete the booking by using the "register" button.

After sending the booking you will receive a message to the entered e-mail address.

With this message you receive the confirmation of the receipt of your booking in our system but NOT a confirmation of your booking.

SITRAIN Germany

SIMATIC PCS 7 System Course
ST-PCS7SYS

Dear Mia Mustermann,

Thank you very much for your SITRAIN registration.

Within the next few days you will receive a separate confirmation.
Before the course begins we will send all registered customers a separate invitation, in which location and time will be confirmed.

Please check the following details of your registration below. If you notice any mistakes, we kindly ask you to inform us immediately.

Registration confirmation.
This is NOT a
confirmation of booking!

Due to export control laws we have to verify all bookings.

After completing the verification, you (or your deviating contact) will receive a binding confirmation of your booking.
