

# Guide for booking a course

SITRAIN – Training for Industry

This guide will help you to book a course on the SITRAIN India website.

[www.siemens.co.in/sitrain](http://www.siemens.co.in/sitrain)

This information can also be found under “contact” on our website:

The image shows a screenshot of the Siemens SITRAIN website with several callout boxes pointing to specific features:

- contact**: Points to the 'Contact' link in the top navigation bar.
- Login / registration**: Points to the 'Login' link in the top right corner.
- Here you can search for courses**: Points to the search bar in the top navigation bar.
- After login you'll find your booked courses here**: Points to the 'My Training' link in the top navigation bar.
- Here you can search for courses**: Points to the 'SITRAIN course search' button in the main content area.
- You'll get further information about our course offers here**: Points to the 'SITRAIN learning paths' section.

The website content includes the Siemens logo, a header image of people in a meeting, the title 'SITRAIN - Training for Industry', and a sub-header 'Quickly obtain hands-on know-how - Practical Training directly from the manufacturer!'. The main content area features a 'SITRAIN information' section, a 'SITRAIN learning paths' section with a diagram, and two featured sections: 'Drive Technology' and 'Industrial Automation'.

## Booking

On the detail page of a course you will find information about it, e.g. objectives or needed requirements.

**SIMATIC programming 1 in the TIA Portal (TIA-PRO1)**

**Description** | Dates and Registration

**Short Description**

You can deepen your theoretical knowledge with numerous practical exercises on a TIA system model. This consists of a SIMATIC S7-1500 automation system, ET200SP distributed I/O, Touchpanel TP700, drive SINAMICS G120 and a belt model.

**Objectives**

The Totally Integrated Automation Portal (TIA Portal) forms the work environment for integrated engineering with SIMATIC STEP 7 and SIMATIC WinCC. In this first part of the SIMATIC TIA Portal programming training, we teach you the handling of the TIA Portal, basic knowledge about the structure of the SIMATIC S7 automation system, configuration and parameterization of hardware, and the basics of standard PLC programming. You also receive an overview of HMI, PROFINET IO, and connecting drives.

After attending the course, you can do the following:

- Understand the fundamentals of interaction of the TIA components
- Solve simple programming tasks using elementary STEP 7 instructions
- Reliably operate the "TIA Portal" engineering platform
- Program simple plant functions with basic STEP 7 instructions in the ladder diagram (LAD) or function block diagram (FBD)
- Perform simple commissioning of TIA components

**Target Group**

Programmers  
Commissioning engineers  
Engineering personnel

On the detail page of a course you can switch between description and dates

On the date view you will find an overview of dates of the selected course.

Here you can see at which place and at what time a course occurs. By using the information icon you can see details of the course, e.g. the exact address.

**SIMATIC Programmieren 1 im TIA Portal (TIA-PRO1)**

**Description** | **Dates and Registration**

Location	Country	Start	Duration	Language	Fee	Status
Mannheim	Germany	Sep 25, 2017 08:30	5 days	de	2,150 EUR

Chemnitz	Germany	Oct 09, 2017 08:30	5 days	de	2,175 EUR	  
München	Germany	Oct 16, 2017 08:30	5 days	de	2,175 EUR	  

**Training venue**

Siemens AG  
Otto-Hahn-Ring 6, Gebäude 28  
81739 München

> [http://mcms/strain2/content/DE\(de\)/LocationMaps/Seiten/BB\\_M-P.aspx](http://mcms/strain2/content/DE(de)/LocationMaps/Seiten/BB_M-P.aspx)

**Date**

Oct 16, 2017 08:30 - Oct 20, 2017 16:00

**Timetable**

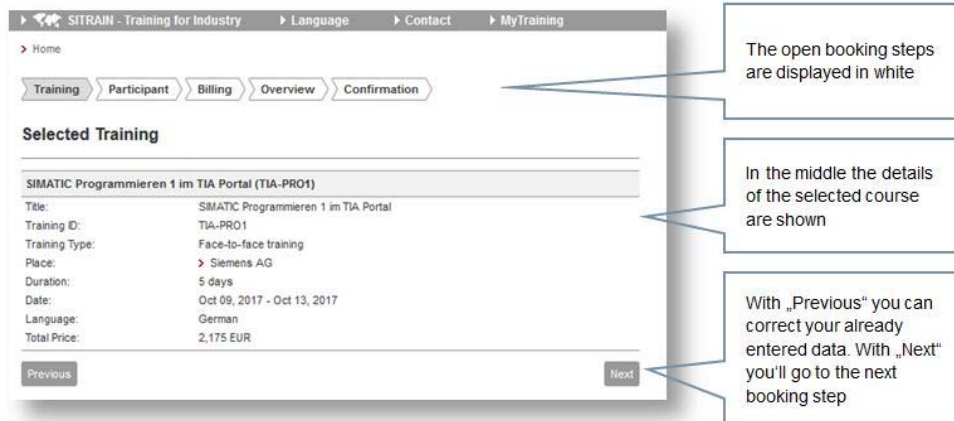

The date view shows all bookable dates

In the list of appointments you'll find information about place, time and duration of a course. You can book a course by using the shopping cart icon.

By using the info icon details of place are shown.

You can start your booking by using the shopping cart icon.

In the first step of the 5-step booking process course details are displayed again.

The screenshot shows a web interface for booking training. At the top, there are navigation links: Home, Language, Contact, and MyTraining. Below this is a breadcrumb trail: Home > Training > Participant > Billing > Overview > Confirmation. The 'Training' step is highlighted in white. Below the breadcrumb is a section titled 'Selected Training' with the following details:

<b>SIMATIC Programmieren 1 im TIA Portal (TIA-PRO1)</b>	
Title:	SIMATIC Programmieren 1 im TIA Portal
Training ID:	TIA-PRO1
Training Type:	Face-to-face training
Place:	> Siemens AG
Duration:	5 days
Date:	Oct 09, 2017 - Oct 13, 2017
Language:	German
Total Price:	2,175 EUR

At the bottom of the details section are two buttons: 'Previous' on the left and 'Next' on the right. Three callout boxes provide additional information:

- The open booking steps are displayed in white
- In the middle the details of the selected course are shown
- With „Previous“ you can correct your already entered data. With „Next“ you'll go to the next booking step

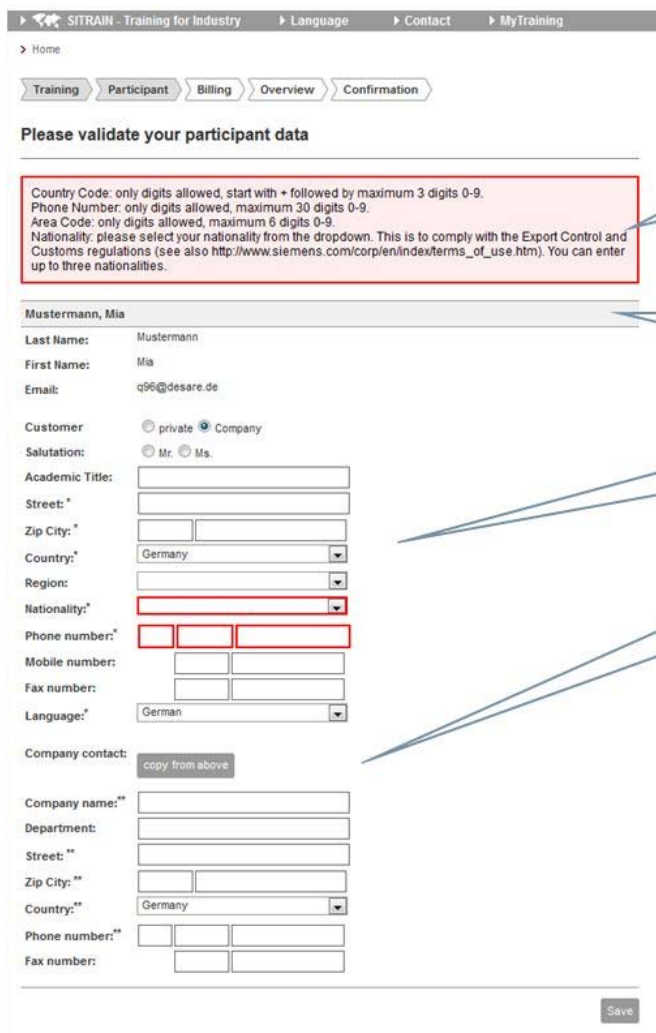

With the “Previous” button you can go to the previous step, “Next” takes you to the next booking step.

In the step „Participant“ you will probably be asked to insert additional data.

If you already booked our courses in the past, the input form is already filled with your data of previous bookings.

Please validate your participant data thoroughly. With \* marked fields are required fields and you have to fill in them to continue the booking process.

Save your data to go to the next booking step.

**Notes**

Please enter here additional notes regarding your order (if necessary):

Sum: 2,175 EUR

I accept the General Terms and Conditions (GTC) > [show General Terms and Conditions](#)

I agree to the Privacy Policy > [show Privacy Policy](#)

Previous Register

Entered data are shown in summary in this overview

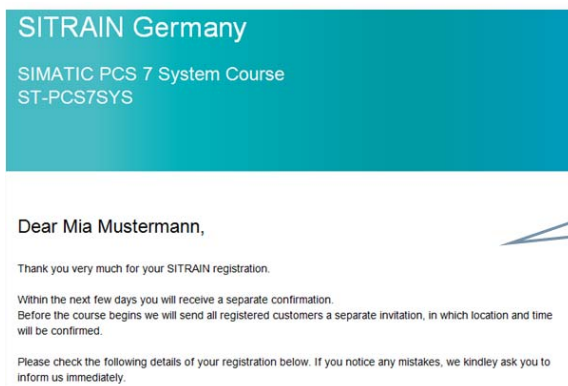

If necessary you can add additional information by using the notes field

Please accept the GTC and privacy policy before booking

After accepting the GTCs and privacy policy you can complete the booking by using the "register" button.

After sending the booking you will receive a message to the entered e-mail address.

With this message you receive the confirmation of the receipt of your booking in our system but NOT a confirmation of your booking.

Registration confirmation. This is NOT a confirmation of booking!

Due to export control laws we have to verify all bookings.

After completing the verification, you (or your deviating contact) will receive a binding confirmation of your booking.

Booking confirmation with information to the booked course

**You need more information?**

We will be pleased to advise you personally.
