

SITRAIN – DIGITAL INDUSTRY ACADEMY

Guide for „Book for others“

This guide will help you to book for others on the SITRAIN website for Germany:
www.siemens.de/sitrain-deutschland

1. Registration/Login

If you want to book for others on the SITRAIN website or access your personal learning environment “MyTraining” a registration is necessary. You can log in by entering your e-mail address and password („Log in“), if you have already registered on the SITRAIN website. If you are not yet registered, follow the instructions in the „Guide for Registration“ which you find on our SITRAIN website as well.

2. Select your training

⌘

Please select the respective company for the new customer / invoice contact. If the needed company is not available please select "Create new" to enter a new company. If you need permanent access to the new company please contact your local training office.
Please note that the Email for each customer must be unique!

Select company

Company name: *

Street: *

Zip City: *

Country: *

5. Remove participants

If you do not participate in the training as well, you can remove your entry or that of another colleague here via the trash can icon.

The screenshot shows the Siemens SITRAIN booking interface. At the top, there is a navigation bar with the Siemens logo, 'SITRAIN Germany', and user options like 'My Training' and 'Germany | English'. Below this is a search bar. The main content area is titled 'Booking' and 'Participants'. A progress bar shows six steps, with step 3 highlighted. Below the progress bar is a table with columns for 'First Name', 'Last Name', 'Email', and 'Company'. Two rows of participant data are visible. A blue arrow points to a trash can icon in the rightmost column of the first row, indicating the removal function. At the bottom of the table, there are buttons for 'Add Participant', 'Cancel', 'Previous', and 'Next'.

6. Complete the booking process as usual

If you have any questions about „Booking for others“?
Your SITRAIN customer service will be glad to help you.
