

SITRAIN CZ - DIGITAL INDUSTRY ACADEMY

Guide for Registration

This guide will help you to register on the SITRAIN website for Czech Republic.

www.siemens.cz/sitrain

Registration/Login

If you would like to book a course on the SITRAIN website for the first time, or access your personal learning environment "MyTraining", you will need to register.

If you have already registered on the SITRAIN website, you can log in by entering your e-mail address and password ("Log in").

If you are not yet registered, please follow the instructions below.

Select "Register" to enter your data. An input mask will appear in which you should enter your e-mail address, surname and first name.

The image displays two screenshots of the SITRAIN website interface. The left screenshot shows the 'Log in' page with a 'Create one' link highlighted in a red box. A red arrow points from this link to the 'Create account' page on the right. The 'Create account' page includes fields for first name, last name, and email address, a terms and conditions checkbox, and a 'Continue' button.

After agreeing to the terms of use, continue by clicking on the "Continue" button, set your password and click on the "Register" button.

The screenshot shows a dark-themed registration screen titled "Set your password". It features a text input field with a blurred password and an "Edit" button to its right. Below this is a "Password*" label and another text input field with a toggle icon (an eye) to its right. A large teal button labeled "Create account" is positioned below the password field. At the bottom, there is a link that says "Already have an account? [Log in](#)".

Once you have entered all your details, you will receive an e-mail in your mailbox with a code to confirm your identity.

The screenshot shows a dark-themed verification screen titled "Verify your identity". It includes a message: "We've sent an email with your code to ekstatischpikanterpapagei@holio.day". Below the message is a text input field with a blurred code and a label "Enter the code*" below it. A large teal button labeled "Continue" is located below the code field. At the bottom, there is a link that says "Didn't receive an email? [Resend](#)".

Please check your e-mail inbox for a corresponding message. You will usually receive this message within a few minutes.

If you have not received a message after 15 minutes, please check the e-mail address you have entered during registration or your spam folder.

Verify your email address

To make your Siemens ID account more secure and allow access to the applications, please use the code provided below on the SiemensID registration process to validate your email address. A confirmation message will appear subsequently.

Your verification code is: **406646**

If verification is not completed and registration is aborted, a new verification code will be sent at the next login attempt.

Contact us

Please do not reply to this e-mail, as we are unable to respond from this e-mail address.
