**CUSTOMER SPECIFIC COURSES**

Courses can be offered in standard or tailored format to reflect an organisation's requirements and training needs. These can be delivered at our Manchester Training Centre or, in most cases, at your site. Please contact us for further details on availability and fees. These courses will be delivered in accordance with our Terms and Conditions for On-site Training.

**PRE-REQUISITES**

The maximum benefit from these courses is obtained by carefully matching the experience of the trainee with the stated pre-requisite of the course. This is an important aspect of maximising the learning process. Please check with Siemens SITRAIN Training Centre prior to making a booking and we will be pleased to advise on the required training sequence for your particular trainee needs.

**SCHEDULED COURSE FEES, VALUE ADDED TAX AND TERMS AND CONDITIONS**

All the above fees for scheduled courses are shown both with and without Value Added Tax, which has been added at the standard rate of 20.0%. Fees are for non-residential course attendance unless otherwise stated. Courses will be delivered in accordance with our Terms and Conditions for Open Courses.
